Always Faithful

The powerful motion of a football game; the activities, dances, and many other functions are all fond memories of this school year for all of us. Thoughts of our days at Neff will be with us for the rest of our lives; but more than providing us with many joyful memories of youth, our school is equipping us, through knowledge, to meet the world outside; a world where the rewards have never been greater, but the competition never keener.

As we continue through high school life and when our high school days are behind us, to remain always faithful to our school is to show our appreciation for all it has done and is doing for us; to in some way bring the honor to William N. Neff High School that it deserves.

Always faithful! What better conveys that which is best for our school and its students than this which has become the theme for this yearbook.

Dedication

Semper Fidelis - "Always Faithful"

What theme could better be applied to this edition of the "Troiani", than that of the United States Marine Corps in which our principal, Clinton V. Brown, served during portions of two wars.

Mr. Brown joined the Marine Corps V-12 Program while he was a student at Indiana State Teachers College. He was sent to Western Michigan College, where he was a platoon leader for six months, then on to Parris Island and Quantico, where he was asked to remain as an instructor, after receiving his commission as 2nd lieutenant.

At the war's end, after faithful fulfillment of all military obligations, Mr. Brown returned to Western U. where he lettered in basketball, baseball, football and track. He was chosen to play in the Mid-American Conference Football Game, and served as left tackle on the first team in the All-State Selection. Number 75 was further honored with offers to play pro-football with The Redskins, The Giants and The Rams.

A masters degree from the University of Michigan was our principal's reward for faithfulness to his studies. He was a teacher and head coach in Rockford, Michigan, for three years, until the Korean War necessitated his return to the U.S. Marine Corps. This time he served as Executive Officer at the Newport, Rhode Island, Naval Base and was promoted to the rank of Captain.

Upon release from service, the Browns came to California and, after fulfilling this state's requirements for teaching by attending U.C.L.A., our principal taught at Bellflower High, went on to Artesia High as Director of Attendance, Director of Counseling and Assistant Principal, then, upon opening, came to Neff High as Principal. He resides with his wife Helen and two children, Bobby and Nancy.

Faithful performance of study and duty have led Mr. Brown along a path which has had only one direction-straight up!

We students at Neff High are most fortunate to have a "big man" to guide us, and to set high standards. As our tribute for the dedication and service you have rendered to us and to our school, we, the students of Neff High, proudly and sincerely dedicate the 1966 Troiani to you, Clinton V. Brown, our friend and principal, and we humbly vow that to both you and our fine school, we shall be "always faithful."

Mr. Philip Johnson, a member of the faculty, is "Always Faithful" in the classroom and all the various activities he supports.

Board of Education

Mr. Harold L. MacTaggart
President, Board of
Education

Unification for the new Norwalk La Mirada Unified School District, meant elections and these people were voted to positions of prominence and problems.

The problems, however, have been solved with expediency, logic, and intelligence and this new Board under the leadership of Mr. Harold L. MacTaggart, president, certainly promises to make this one of the outstanding districts in the nation.

To a sweet kid!
Have a wonderful summer!
Have a wonderful future,
which I know you will!
Don't flirt with the boys! Ha!

District Administration

With the reality of unification, the school district has launched into the almost insurmountable task of coordinating, solving, and initiating programs for the education of the students.

With the retirement of Mr. Reginald Benton, who was instrumental in bringing unification to the district, a new Superintendent was hired. His name, Dr. Louis Zeyen, a man with determination and ability.

Dr. Louis G. Zeyen
Superintendent as of February 1, 1966

Mr. Reginald M. Benton
Superintendent, July 1 through September 30, 1965

Mr. Robert D. Ashton
Acting Superintendent,
October 1, 1965 through
January 31, 1966

Mr. Richardson Hastings
Assistant Superintendent,
Division of Secondary
Education

Mr. Robert J. Fischer
Assistant Superintendent,
Division of Elementary
Education

Mr. Bruce B. Butler
Assistant Superintendent,
Division of Business
Services

The Principal

Clinton V. Brown

With a deep and sincere concern for all facets of school operation, and with a special regard for the students, Clinton V. Brown has been instrumental in the development of the total area of educating youth.

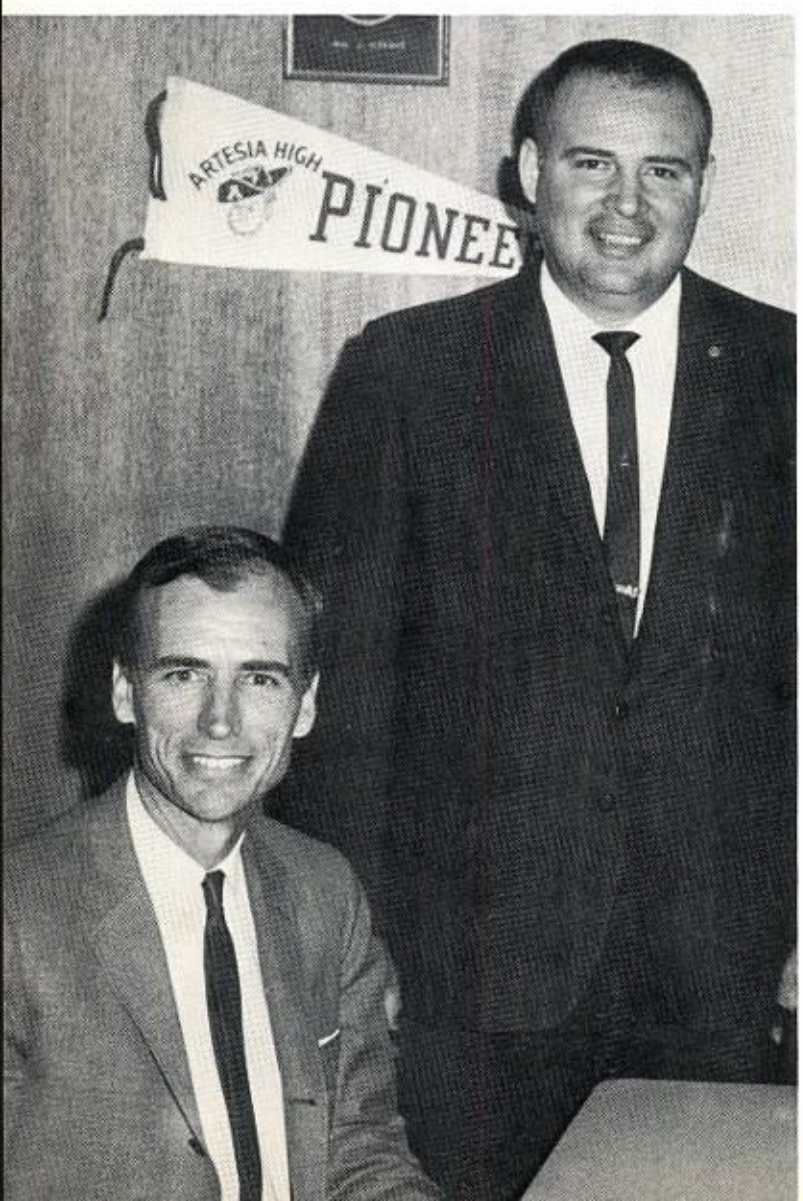
His decisions and policies have been based on knowledge and wise leadership. Never to busy to talk, or listen he has overcome some of the most difficult problems that a newly opened school could face.

The dedication of this annual describes only some of the reasons for this man's success as a teacher and administrator.

Mr. Brown speaks at the first dedication of the new Neff High School site... a site that has come into its own this year.

The Assistant Principal

Gilbert Ulibarri



Better known as U.C.L.A.'s number one rooter and an amateur "jack of all trades", Gilbert Ulibarri has given much time and energy toward the building of a better school.

His work with the limited photography equipment has been outstanding. With much ingenuity and foresight he has been able to take, develop and print all the pictures needed for the newspaper, annual and for press releases.

Besides these extra curricular services he oversees the master scheduling of classes and makes certain that all supplies necessary are available for teachers and students.

Mr. Ulibarri deserves much credit for the compilation of this yearbook.

Good luck next year and I hope to have you in more of mine classes.

Karen,
Our little "Irving circle" has been fun this year, I'm going to miss it!
Lucky - you would have to get a A in turn. By Mr. Kassardi only knew what you were like - Ha! (Not really). You've kept us well supplied with food this year for our little parties". I won't see you next year so - Good luck always & have fun in the summer!

Classes

Junior Class President

Don Solanas, President of the active Junior Class, keeps himself busy with many varied duties that all serve Neff High School in beneficial ways. As a manager of athletic teams, reporter for the games, and academically he represents well, a dedication of "always faithful".

Sophomore Class President

Leading the Sophomores in their many pursuits is President Terry Skotnes. With unwaivering loyalty he and his cabinet have worked in preparation for a very busy Junior year, one that will require much money and planning.

Freshman Class President

To solidify a new class is a job in itself, but Ray Biering has made the Freshmen one of the most spirited and active classes on campus. This group is always willing to serve and never quits on the job. Look for them to achieve more and more as the years go by.

Under the leadership of enthusiastic officers, the juniors worked hard on many projects. With every member of the class yelling, the juniors won most of the class competition.

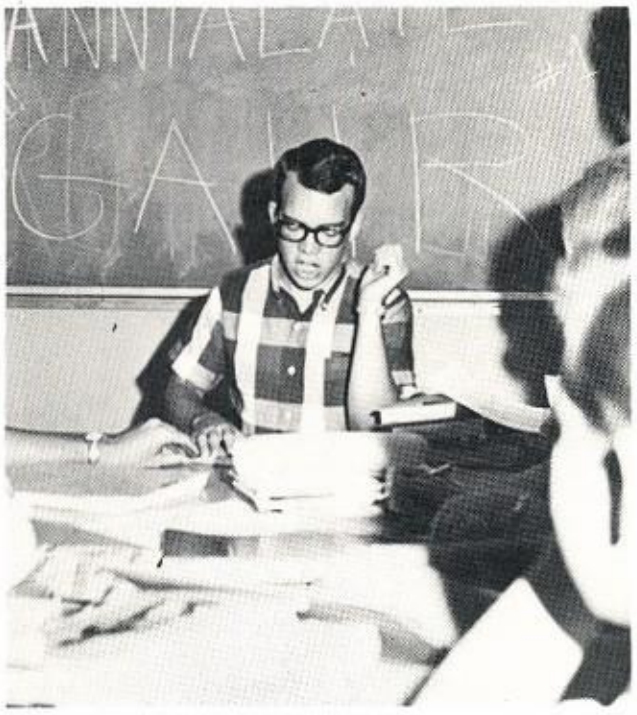
Organizations



To Todd Lewis the task of being faithful to the school comes with his responsibility as Student Body President. Organizations are always of concern, they help us grow.

Student Cabinet

Karen,

I hope that we can sit around each other in German next year, and ~~tho~~ drive the new teacher crazy, like we drove this one crazy.

Scott Tenenbaum

The Student Cabinet makes many of the important decisions that face the student body. They help decide many of our policies, plan our special days, approve charters for the new clubs on campus and handle the various problems students bring to the Senate.

Todd Lewis
President

Left to Right: D'Arcy Rigby, Boys' League President; Kathy Welch, Secretary; Mike Touchette, Sergeant at Arms; Pat Thode, Vice President; Don Solanas, Junior Class President; Terry Skotnes, Sophomore Class President; Scott Tenenbaum, Treasurer; Bonnie Lorig, Girls' League President; Todd Lewis, President; Linda Ulrich, Pep Commissioner; Ray Biering, Freshman Class President; Craig La Peere, Director of Activities; and Mr. Elder, Student Cabinet Advisor.

Senate

The key to sound government.

Under the fine leadership of Todd Lewis, Student Body President, the Senate acts as the voice of the students. Each homeroom has an elected representative who brings to the meeting the views and ideas of his classmates.

This year the Senate has acted on various proposals involving the betterment of the Neff campus and the activities of the student body.

Mr. Elder, the Boys' Vice Principal and Mr. Brown, the Principal assist the group when needed.

The Trojan Sheild worked hard to give us a top rate newspaper every two weeks with a lot of time and effort put into it.

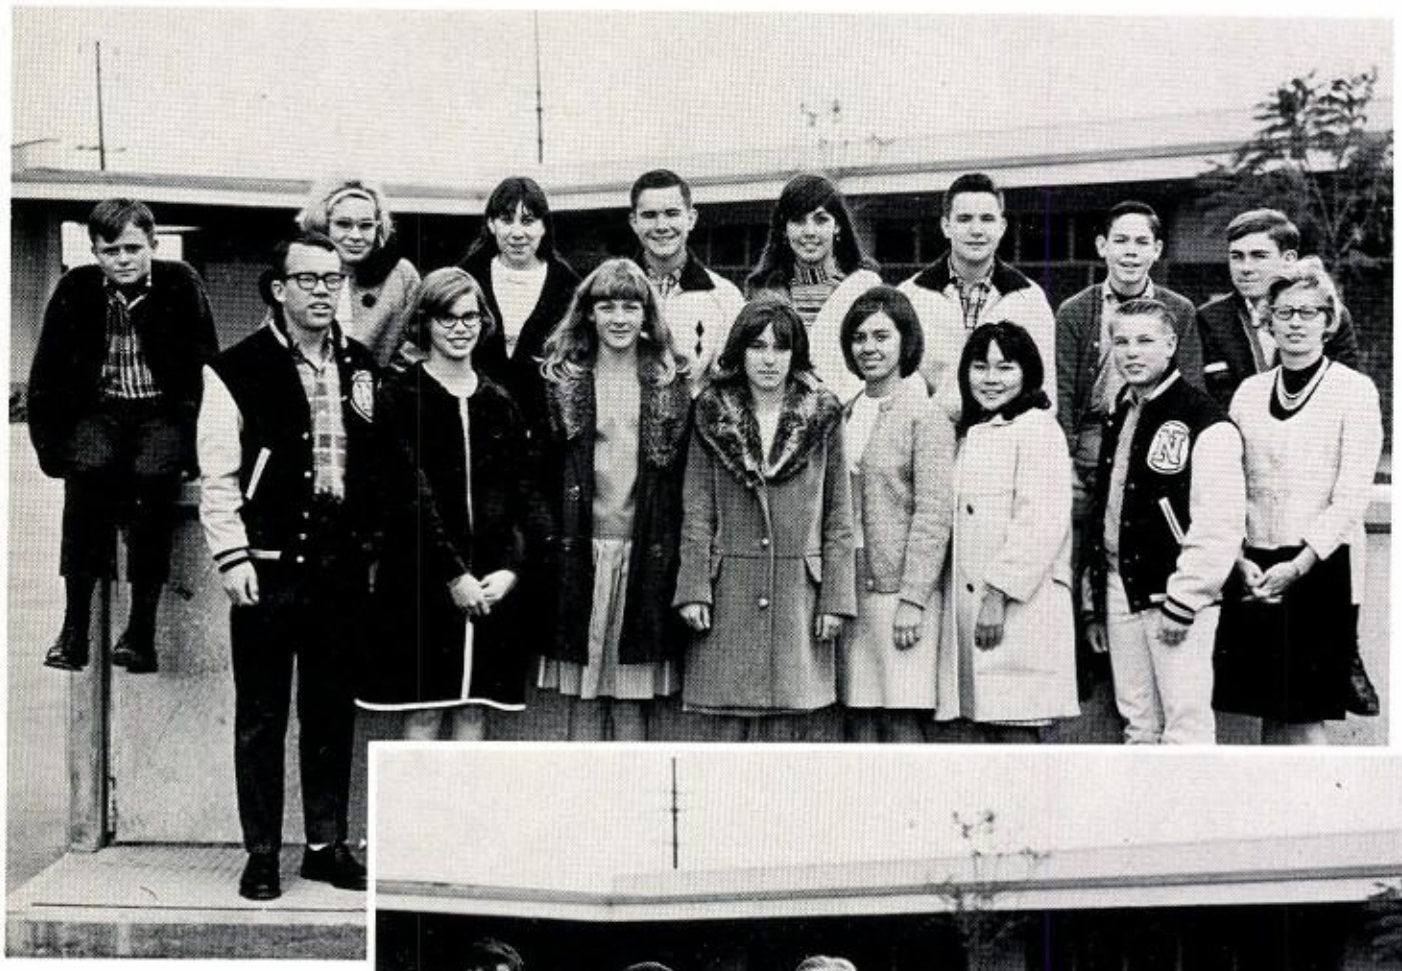
California Scholarship Federation

C.S.F. has had a busy and profitable year. They have gone on various field trips including a very enjoyable tour of the U.S.C. campus. Under the leadership of Mr. Chenney, Mr. Brown, Mr. King and Mrs. Ortiz, the standards are set high for membership.

Principal's Honor Roll

The Principal's Honor roll is the highest academic group on campus. It is composed of hard working and ambitious students who have met the high standards set for membership.

National Forensic League



This year the speech club directed by Mrs. Wood, has received numerous honors. These honors given in fields such as debate, original oratory, dramatic interpretation, humorous interpretation, impromtu, extemporaneous, and oratorial interpretations were well merited, by the orators. Much is expected of this group in the future years because of the great success they've had.

Under the direction of Miss Logan, the advisor, and Joan Kenny, the president of the club, the Thespians have given us two delightful plays, "Thank you Doctor" and "Meet a Body". From the applause it was clear that everyone enjoyed these two performances and we are looking forward to more in the future.

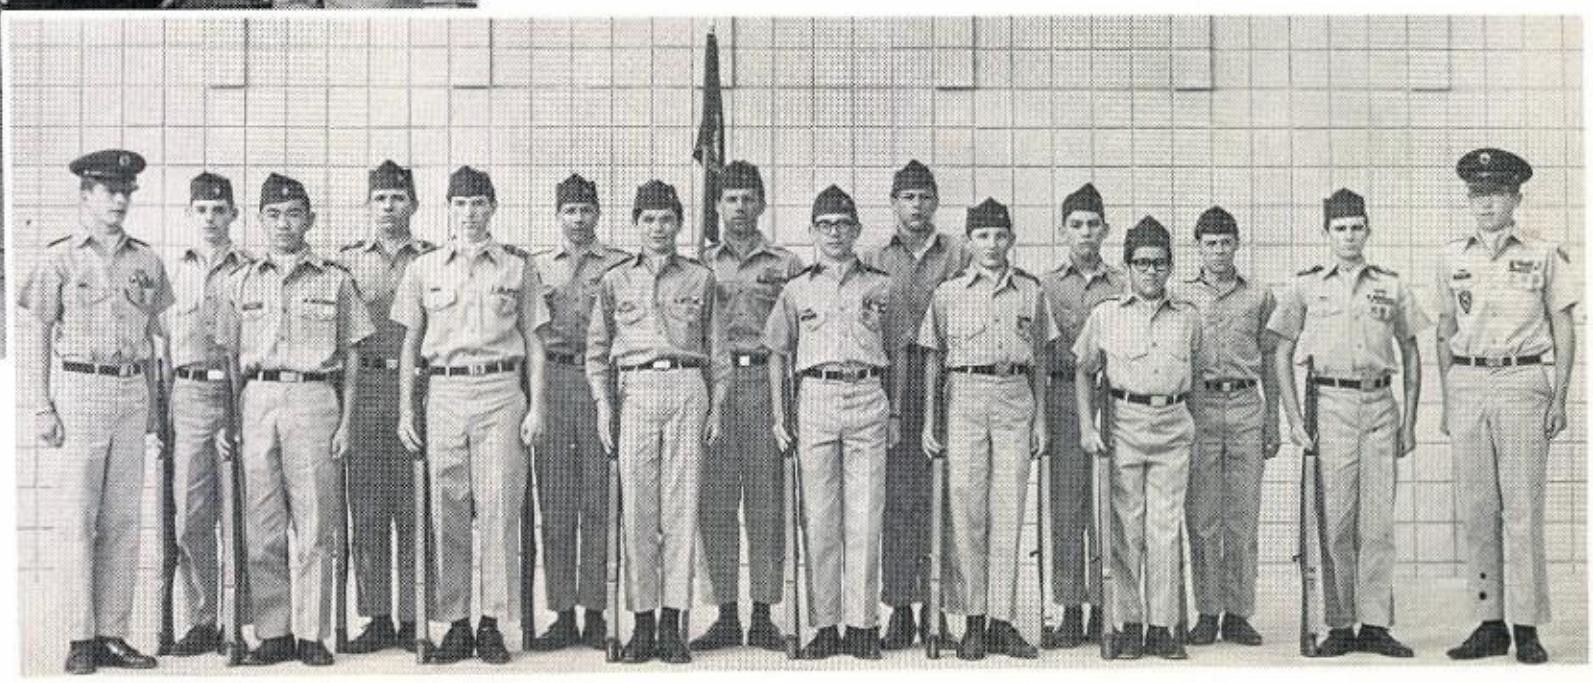
National Thespian Society

Pep Club

Promoting school spirit has been the job of the pep club this year. Sponsored by Mr. McCormick, they have partaken in various school activities including a booth at the Sadie Hawkins dance and selling booster ribbons throughout the football season. Thanks to pep club, spirit has been high on the campus this year.

California Cadet Corps

The Cal Cadets under the direction of Mr. Jerry Bernard have attended many bivouacs throughout the year and have displayed their skills in such areas as marksmanship and marching maneuvers. They have dedicated much of their time directing cars at various school activities and have shown a spirited effort in their jobs. The student body is grateful for the help that the Cal Cadets have given us throughout the school year.



Girls' League Cabinet

Miss Patterson
Girls' League Advisor

From Left to Right: Bonnie Bailey, Freshman Representative; Michelle Cartisano, Sophomore Representative; Judy Brown, Publicity Director; Lynn Garfield, Girls' League Secretary; Bonnie Lorig, Girls' League President; Susan Harding, Girls' League Vice President; Mei Trawicki, Kalagathian President; Charmaine Alley, Trojettes President and Girls' League Treasurer; Debbie Hackett, Troianae Puellae President; Betty Deitsch, Junior Representative; Sandy Dalzell, G.A.A. President; Miss Patterson, Girls' League Advisor.

Troianae Puellae

Kalagathians

The members of Troianae Puellae are the official campus hostesses and they assist in the office whenever needed. The Kalagathians or modes and manners, promote good dress standards. The Trojettes or ways and means, help raise money for the Girls' League with various fund raising activities. All of these groups have set good standards for the coming years.

Trojettes

Boys' League Cabinet

D'Arcy Rigby
President

D'Arcy Rigby has led the Boys' League in a triumphant battle against long hair, and sloppy dress. Of course, these are not the only duties of the Boys' League; they have sponsored our Christmas Dance, and our unforgetable Varsity-Faculty basketball game. All of these functions have given Neff a boost in the spirit department and have helped us along the road to greater strides.

From left to right: D'Arcy Rigby, Dave Keaton, Jack Meinen, Joe Touchette.

Lettermen's Club

Among the many duties of the Lettermen's Club there is the task of watching all the Neff High litterbugs at lunch and keeping an eye on conduct in general at school functions. We would still like to congratulate them on other duties and events that they have sponsored. With the help of their advisor, Mr. Stan Thomas, the Lettermen's Club is setting good standards for all the boys and girls to follow.

Folksinging

The folksinging club has entertained itself this year with more than thirty healthy voices to sing out the current trend of the folk song. Although the student body hasn't heard them as yet, they are hoping to in the near future.

Student Exchange Club

This year the S.E.C. is working doubly hard in hopes that Neff High may become the proud parents of a foreign exchange student next year. If so this will be our first and we will be sure to make him or her as welcome as we can. Also in the future the S.E.C. plans to send one of our students to a foreign country or to another state in our country.

Math Club

The math club is still a small group, but its members are working hard toward making it bigger and better. This year they have participated in math field days at Occidental and Cerritos Colleges. Mr. Johnson, the advisor, was most pleased to see his group doing very well in the stiff competition.

The art club keeps getting busier and busier as the year goes on, with scenery for our plays, posters, art contests, and many other projects. With the help of the clubs advisor, Mr. Da Hood, the projects will continue to come in and the members of the club will continue to give us their best work.

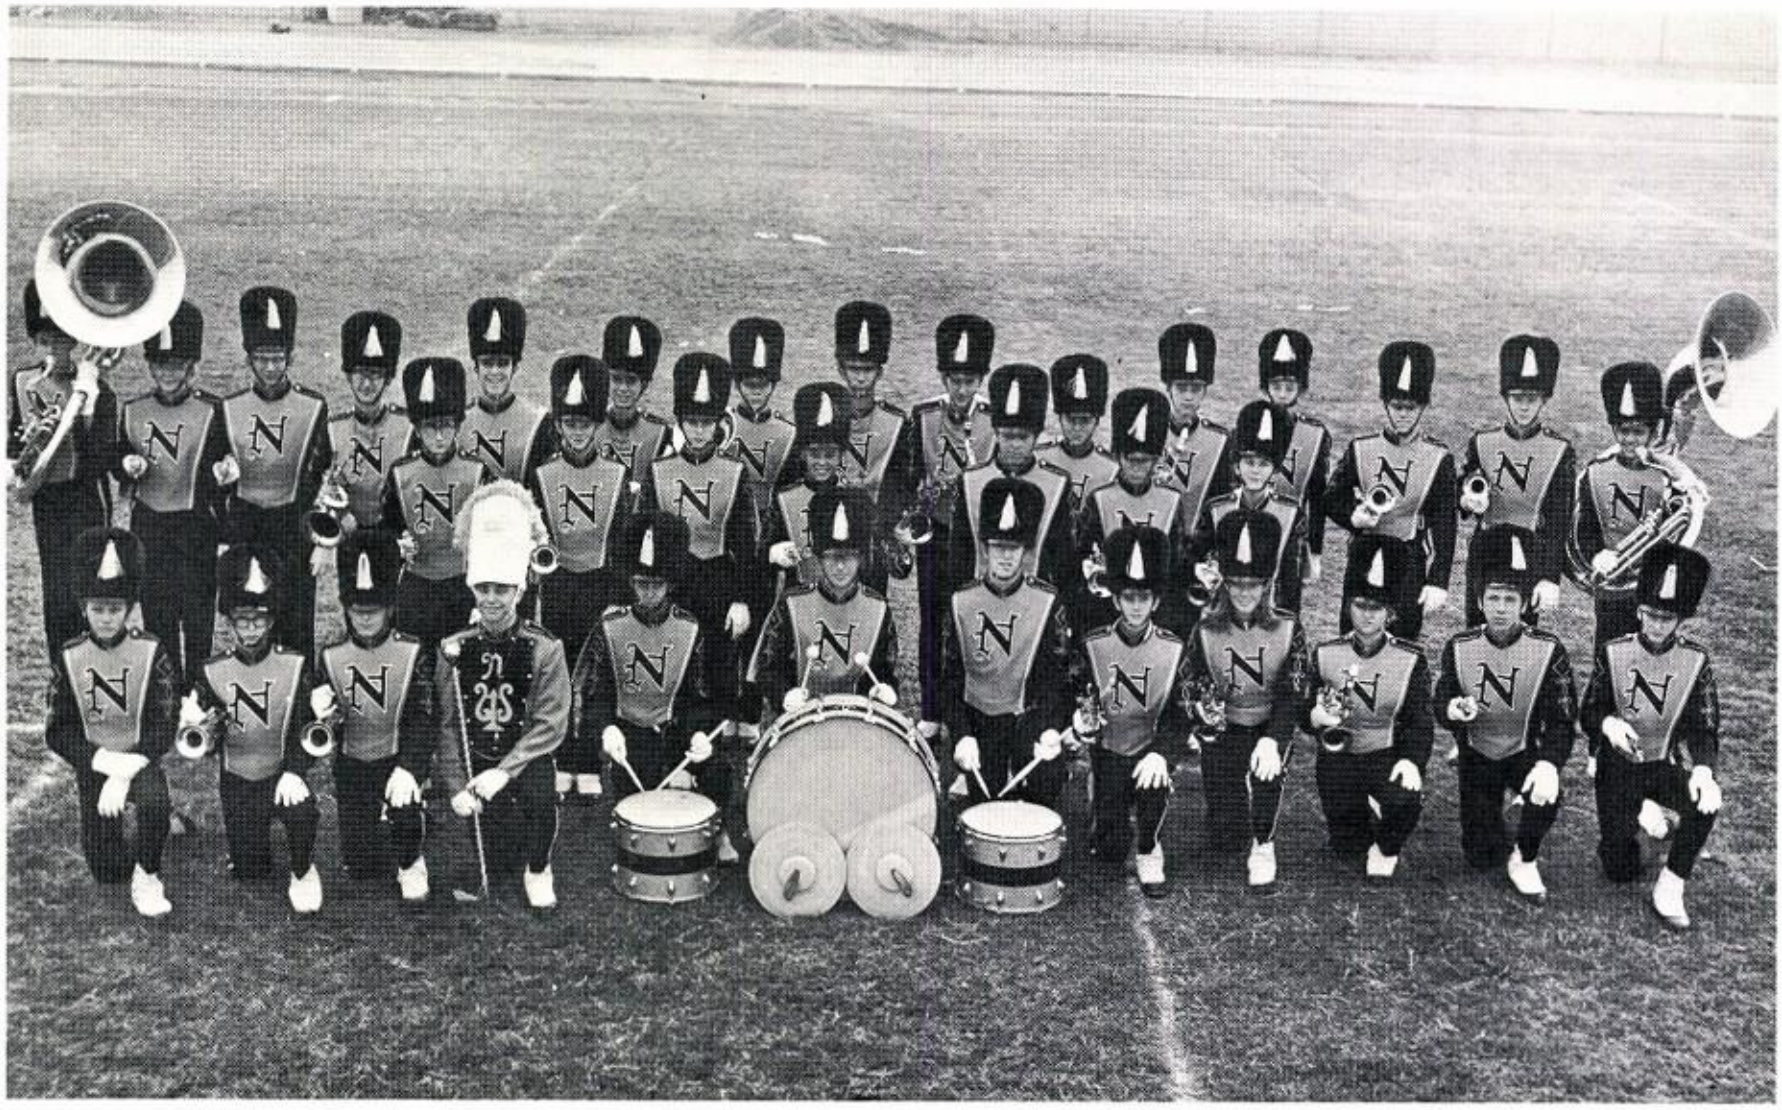
Band



Neff's first big football season was brightened by the sharp appearance and superb effort of our marching band directed by Mr. William Kirk and led by drum major Dennis Carter.

We would like to congratulate the band on their time and effort which accounted so greatly for the increased school spirit and enthusiasm.

Drill Team

The drill team helped to win the audience during half-time activities as they charmed their way through numbers like "Hernando's Hideaway," "Hello Dolly" and "Ain't She Sweet."

They have done a great job and owe it all to Miss Donna Schipper who directs the girls and Connie Heinemann who is the drill team leader.

Newly added to the school is our "Trojan" mascot, which is portrayed for the first year by Denise Donnelly.

Activities

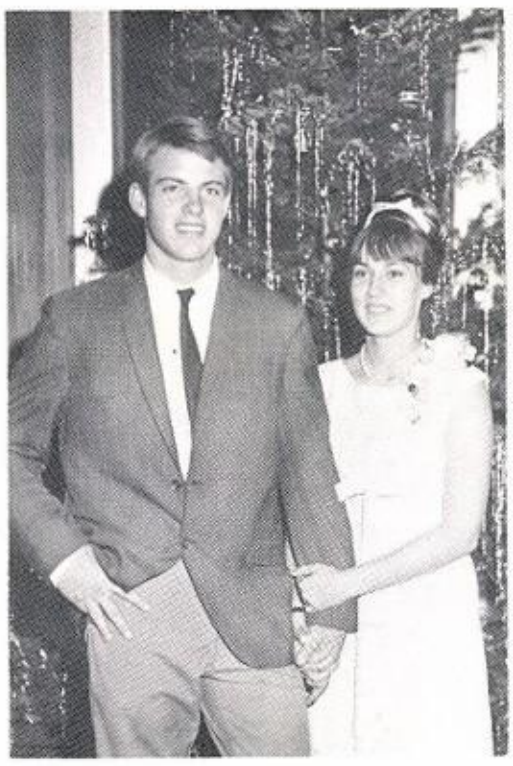
To Linda Ulrich every day is a busy day. Whether selling booster ribbons, ordering rooters buses or decorating goal posts activities occupy much of her time.

Fashion Show

The first assembly of the Girls' League presented the fall fashions from Simplicity. Mr. Bill Kirk provided a musical background as the student models displayed an assortment of outfits ranging from school clothes to evening wear. Miss Fay Patterson and Mrs. Dixie Bradshaw were in charge of training the models for the fashion show. Miss Sharon O'Brien from Simplicity narrated the event.

The Christmas Dance

And of course they danced....



Ken Hamilton and Vivian Garcia were voted Mr. and Mrs. Santa Claus for the evening.

The second annual Christmas Dance proved to be a great success for the Boy's League who sponsored the event.

Under the direction and guidance of Mr. Hank Frese, the boys worked hard to collect gifts for needy families and to make the dance pleasant for all.

Something struck Bonnie Lorig funny....

Don Solanas and Pat Thode discover gifts under the tree.

Special Events

The band and choir presented a Christmas program...

...and the P.T.A. and Sophomore class sold pizzas.....

...The industrial arts classes made toys for tots....

...sportsmen won honors...

...freshmen painted trash cans...

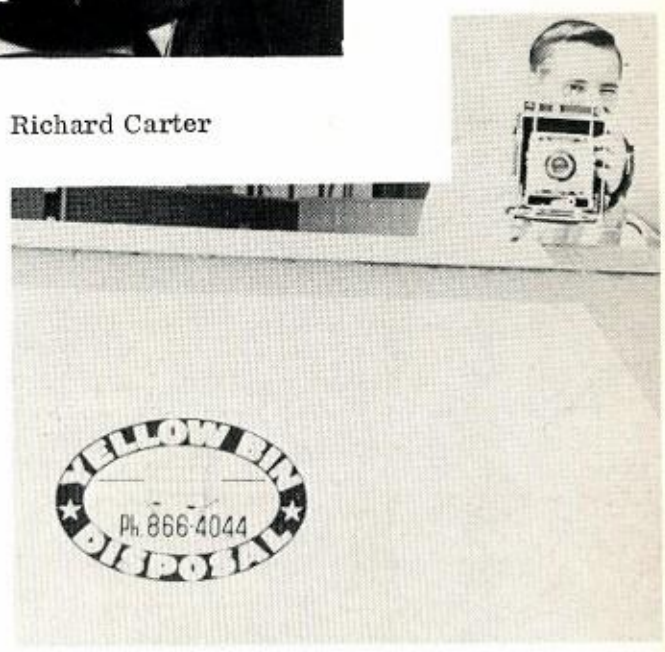
Mr. Ulibarri

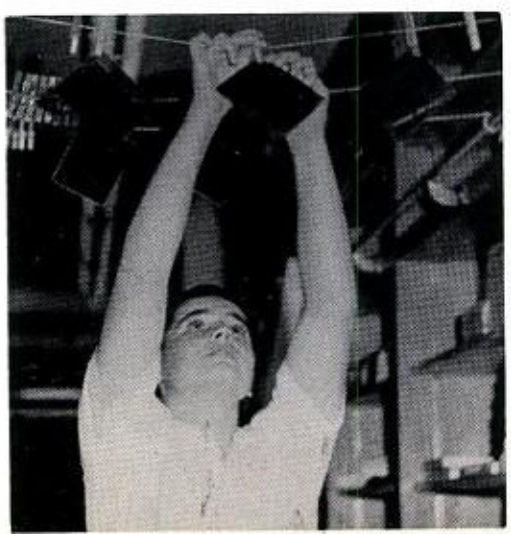
Dave Bernoudy

Brian Giles

Richard Carter

Under the direction and assistance of Mr. Ulibarri, these four boys have worked hard and long this year supplying the necessary pictures for the yearbook and the newspaper. Their efforts have been greatly appreciated, and we wish to extend a sincere "thank you" to them.

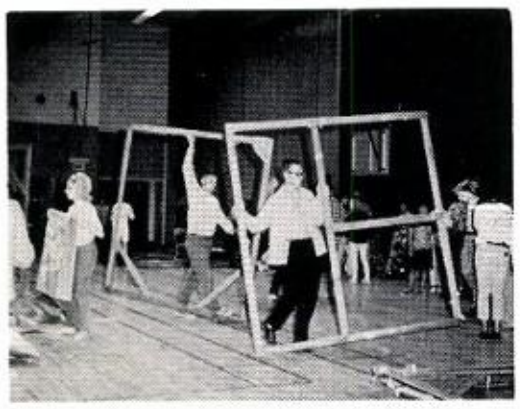




"The Play's the Thing"...

Scenes from the first play produced this year indicate the growth of drama on the Neff campus. The title of this endeavor was "Doctor in Spite of Himself" and the flavor was strictly comedy.

The second effort by the thespian hopefuls took on a flare for the chiller, with comedy delicately inserted. The title was "Meet a Body", and the setting of course, what else but a funeral parlour.



Sadie Hawkins Dance

Rallies

"Our Team is Red-Hot".....and the rallies were the best ever this year.

The flag, song, yell and majorette groups brought the student body to life. The Band and Drill Team looked "sharp" and performed well.

Competition yells between the classes were won primarily by the Juniors and Freshmen.

.....and our campus came to life!

After The Game...A Dance

Well attended after game dances held in the gym highlighted a winning football season.

The "Off Shores" provided the music while the students "jumpec and jerked" to the latest dance craze.

"April Showers"

A careful decision.

She is off with only five hours to go.

Welcome!

The Final Touch

A memory for your scrapbook

Sneaking behind the scenes can sometimes pay off, and it did for us. We got a first hand picture story of one of the happiest couples at our spring formal, Joe Touchette and Charmaine Alley. As you can see they had lots of fun and we had fun watching them!

Well, congratulations to the Junior Class for the biggest social event of the year, "April Showers".

What do you mean, you forgot the ticket.

Girls' Sports

Being president of the Girls' Athletic Association is but one of the many duties of Sandy Dalzell. Studies, activities and flag twirling are also a big part of Sandy's life. Her contributions to the school mark her as "always faithful".

Girls' Athletic Association

The Cabinet

The G.A.A., under the direction of Miss Smith, meets once a week and participates in playdays once a quarter. There are also special events that the G.A.A. is able to take part in. This year's officers are President, Sandy Dalzell; Junior Representative, Sandy Rossiter; Publicity Chairman, Ruth Ruark; Vice President, Kathy Welch; Activities Manager, Lynn Wayne and Secretary, Betty Deitsch. Some of the activities that are regularly scheduled during the school year are tennis, volleyball, speed-a-way, basketball, and softball. This year the G.A.A. has high hopes for the softball championship.

One of the activities sponsored by the G.A.A. is the selling of the popular G.A.A. sweatshirts.

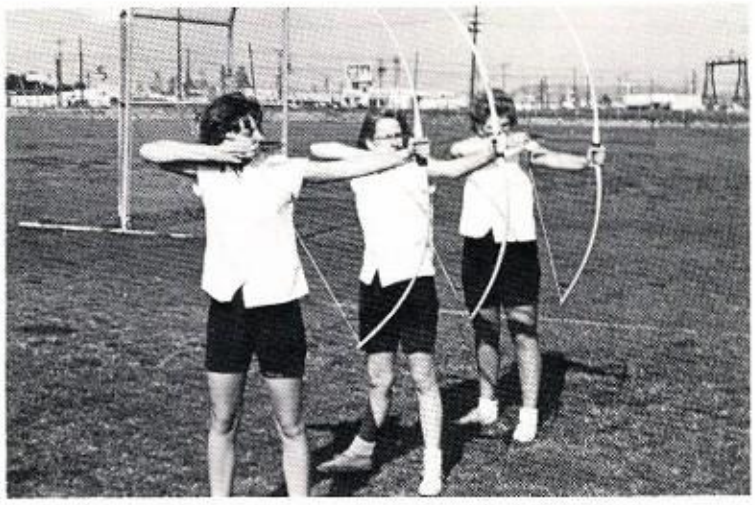
Tennis and Volleyball

The first activity in G.A.A. was tennis. The concentration seems to have paid off!

Next came the old favorite, Volleyball. Everyone went in for it with enthusiasm.

Archery



Archery proved to be a very popular feature of G.A.A.

Basketball

Basketball is an ever-popular feature of G.A.A. The girls often came early in the morning to practice for play days, which resulted in great improvement.

Baseball

This year the G.A.A. has great hopes for the baseball team.

...to Miss Moore, our advisor, whose devotion and patience are largely reponsible for this finished product.

...to Sue Gardner, who gave up many after-school hours to assist with advertising sales, although not an actual staff member.

...to Mr. Ulibarri, who carefully trained his staff of photographers and personally "saved the day" on countless occasions.

...to these and all the rest who aided the staff in their constant race to "beat that deadline!"

THANK YOU!!!

SUE

Karen,
you're a sweet
kid. Have fun
this summer!
Hope to see you
sept summer (oops)
I mean school year.
(time for summer on
the brain)

Karyn, you're a really sweet girl. Had a fun summer & I hope to see you again soon!

Love,
Kendra

Karen -
The years come and go, but we still stay (I wonder why?)
Best of Everything,
Back to you always.

Karen -
You still a baby and you'll never share anything, Right?
Stay Sweet (thats a laugh)
Not Really Goodbye until next year
Love,
Garfield
